DEFINITIONS

- I. <u>Sliding Fee Scale</u>: A variable schedule of provider fees for their services that is based on the Individual's income or ability to pay.
- II. <u>Federal Poverty Level (FPL):</u> A measure of income that is determined by the Health Care Authority (HCA) that usually changes annually; the FPL helps to determine an Individual's eligibility for certain benefits.

POLICY

PROCEDURE

- 1. The network provider sliding fee schedule includes non-discriminatory language that states that no individual shall be denied services (crisis, ITA, E&T, or SUD involuntary services) due to inability to pay.
- 2. The network provider provides education and signage to the individual to let them know about the sliding fee schedule.
- 3. The network provider protects the Individual's privacy when assessing fees.
- 4. The network provider maintains a record to account for each client visit or service and the charges incurred.
