5.	BHDG Updates	Update	BHDG Data Tech meeting update: <ul style="list-style-type: none"> ASO Data Quality Reports for Q3 2023 must be wrapped up with HCA by July 1st. Looking at how to deal with supplemental data when a client changes payers part way through treatment (how to not have “orphaned” records with HCA) HCA is still reviewing changes to the 165 Mobile Crisis Response transaction; they are hoping to finalize it soon and will send out Interim Guidance for reporting requirements. HCA is looking into possibly using internal tables to map agencies with multiple NPIs to one main NPI to reduce errors on new NPI requirements on supplemental data transactions. G2*564 DOH License number segments are required in claims; HCA will be adding edits to require these to be sent on claims. 	Kelly Nortrom	

			<ul style="list-style-type: none"> The June BHDG Meeting has been cancelled. 		
6.	SERI Updates	Update	<p>SERI Workgroup meeting update:</p> <ul style="list-style-type: none"> There was no May meeting. The SERI was released on 4/1 with many changes being effective 7/1/24. Also look for there to be an Interim Guidance coming out possibly next month (MHCP type definition, IRT modifier, ITA service encounter guidance). Next full SERI release expected October 1, 2024 for a January 1, 2025 effective date. HCA is planning for some SERI Webinar Pilot meetings coming up later this year that would be available for provider agencies to attend that would discuss changes to the State Plan, HCA guidance, and SERI changes and billing guide changes. 	Kelly Nortrom	
7.	GCBH Updates	Update	Continued work and progress with Raintree engineers to improve the system,	Kelly Nortrom	
8.	GCBH – Provider Data Submissions	Update	<p>How are providers doing with ability to submit new 5/6/24 transactions (020.09, 022.04, 140.03)? We have several providers who have not yet submitted any of the new transactions yet, so wanted to check in.</p> <p>Reminders:</p> <ul style="list-style-type: none"> Provider agencies are required to submit supplemental and claim data to us at least monthly. Attestations must be signed by a CEO, CFO, or designee. If it is being signed by a designee, then we must have notification on file from either the CEO or CFO assigning that person as a designee. Kelly will be reaching out to providers soon for those with 	Kelly Nortrom
